

# HOLDEN ENTHUSIASTS CLUB CHRISTCHURCH FEBRUARY 2011 NEWS Presidents Report

It has been another busy month in the club.

On Jan 15<sup>th</sup> we had our annual Pie and Pint run, this time we only went as far as the Bealey Hotel due to Jacksons being closed because of a death. It was a great day (as they all are) with 18 cars fronting up but more from Bill soon.

What is that strange one in the front?  
(At least it made it without a trailer)

Jan 26<sup>th</sup> to Jan 29<sup>th</sup> Muscle Car Madness called out the standard hardy souls with a few new ones to destroy a few brain cells and have a great time for the weekend and have a look at some awesome machines. We had a cruise Ute with red and blue flashing lights. The Ute thanks to Steve and the lights thanks to Keith. We even had the Ford people camping with us this year witch was good to see. On Friday night Steve picked up a patient from somewhere and cruised around with him for a while until he lost him off the back. We had a great weekend and the rain stayed away until Sunday.

On Saturday Captain Planet turned up with his son (ET) but then went to bed and left him unattended. He got into trouble at about 1am with him being abused. We even had a couple from Jaffa Ville staying with us.

Feb 4<sup>th</sup> and 5<sup>th</sup> 8 cars over the weekend went out the Power built raceway to watch some great racing (The Skope Classic). We had the usual fun with Warren and Michelle from the Falcon/Fairlane coming out to spend the day with us on Sunday. We got Warren to wear something red with HOLDEN on it. Good sport mate. Captain Planet brought his son out to watch the racing as well. The day was a bit cold and windy but we put up with it. Bring on the Super Tourers I say.

The 20<sup>th</sup> birthday is creeping up on us so please make sure you get your regos in.

Welcome to our three new members Kerry and Sonya with a VX Calais V8, Josh (he doesn't have a Lion yet) and Jimmy with a VY Clubbie. We hope you enjoy your time with us.

- Club shirts are able to be purchased via Marg
- Ladies polo shirts are in stock
- Club Stickers \$5 each
- New club sashes are now available for \$20.
- For any Bosch or Holden Auto Electrical Parts contact Ashley Mulholland on 027 432 8051
- Keith Wood has access to early Australian Holden spares, contact him on 021 229 0531 to see if he can obtain what you're wanting

## Bealey Run 15th January,

Meeting at the Yaldhurst car park at 9-30 sun shining, guys in short sleeve shirts, shorts and jandels, girls in their summer blouses. But looking out west were dark clouds hugging the hills we were about to embark. About 14 cars fronted up with two more joining us up the road, some of the regulars and some new, well to me anyway, being relatively new to the club. Denny's new coup, what a looked, the envy of many I'm sure. Nice to see the Torana donning a new window sticker, remember guy's, pay back's a bitch, so be on your guard. It looked like the building game was paying off for Ray, turning up driving a big purple beast, but Aaron appeared from the passenger's seat. We also had a nice Corvette Convertible join us, heading off with the top down, yes Allie, you were right, as not far down the road, did it blow, and did it rain. Getting close to our destination we saw a dusting of that cold white stuff on the tops, not good for this time of year or for what we were wearing. Parking up at the Bealey Pub we made a dash for inside being greeted by a nice warm fire, hot food and cold beer. Everyone sat down enjoying the view and company, and no we did not see any sightings of the rare Moa, but we did see something even more rare, a Ford on a Holden run, great stuff. I heard good comments from our visitors on how friendly our members are, so well done guys for making our guests welcome. So after everyone had their fill we all made our own way home in nice sunny weather, another great day out. CHEERS Bill. 😊
